Windermere. Windermere, or Winandernere, is the largest of the English lakes, being ten and a half miles long and in width varying from a few hundred yards to nearly a mile at its widest point. The total area is nearly six square miles; it is situated 128 feet above sea level, and the greatest depth of water is 219 feet.

(FOR ADDRESS ONLY.)

Dear Mrs. Mould just to wish you
very many happy returns & may
you see many more better ones
In store for you we are so long
disappointed but I am so weak &
queer I have only been out once for a
month fond to see to you all
Yours ever E. P. Paraphin
